Professional Development Days (PD Days)

May 2023 | Virtual Sessions & In-Person Workshop
Schedule

There are two ways to participate in PD Days 2023: 1) Virtually - there will be ten virtual sessions (between 1-1.5 hours each) spread over the month of May, including a virtual keynote speaker; 2) In-person: there will also be an in-person full-day workshop held in Moncton on May 23rd, followed by an in-person networking event.

Important Notes:

- **All virtual sessions will be conducted through Zoom. The Zoom meeting link will be sent to all registrants the day before each session. A reminder email will also be sent out the morning of the session.**

- **Unless otherwise stated, virtual sessions will be recorded and available to paid registrants through a password protected website until August 31, 2023. Session recordings will be available on www.pminbpddays.com within a few days of each session. The password for the site will be emailed to paid registrants.**

- **Even though the first virtual session will be May 1, the deadline for registration for virtual sessions is 5 pm on May 15, 2023. All paid registrants will receive all available session recordings.**

- **The deadline to register for the In-Person Workshop is also 5 pm on May 15, 2023.**

- **There is a group rate for accommodation at the Four Points Hotel in Moncton. Since the in-person workshop starts at 10 am on May 23, some may consider driving to Moncton in the morning and booking accommodations for the night of the 23rd to take full advantage of the networking event after the workshop. For information on accommodations click here.**
